PROFILE

Mark Nawfal represents clients in the energy industry on a variety of civil and commercial oil and gas matters involving offshore platforms, vessels, and land-based energy projects. Mr. Nawfal joined Looper Goodwine where he could participate in international oil and gas transactions after completing his LLM in Global Energy. He handles ISDA contracts for derivatives and private equity investment in the U.S. and the Middle East. His commercial litigation experience includes indemnity issues between operators and contractors, breach of fiduciary duty, commercial fraud, toxic torts, international commercial lawsuits for breach of partnership franchise and distributorship agreements.
